

Workshops and discussions will be held on anticapitalist ecology, protest safety, legal self-defense, queer ecology, collective care, direct action and on ongoing indigenous struggles. Activities will be held in French with whisper translation toward English available. Visit our website for the full schedule or for changes if it rains or the weather is bad.

September 27th 2023 from
9AM at Parc Lafontaine

(at the end of Calixa-Lavallée Street from Rachel Street). The last workshop will happen at UQAM.
