## The anticapitalist and ecologist coalition against COP15 teach-in !

The COP15 international summit is fast approaching. To help build this movement and prepare ourselves for resistance, the Anti-Capitalist and Ecologist Coalition Against COP15 invites you to a teach-in on November 26th at a location to be determined. We will be hosting a series of workshops about safety during demonstrations, computer security, legal support, why it's important to oppose the COP15, the commercialization of nature and greenwashing, among others.

This teach-in is open to all and aims to create spaces for discussion and knowledge sharing. It is a great opportunity to learn about social mobilization practices and to share your personal experiences.

**12h30-14h**

- Why block COP15
- Introduction to legal self-defense

**14h30-16h**

- Contre le colonialisme vert - stop the new Vic project
- Digital security 101

**16h30-18h**

- Protest Safety
- Biodiversity and indigenous people's rights

For more details about the workshops, visit our website :  
[www.fucklacop15.org](http://www.fucklacop15.org)

Childcare is available upon request. Please contact [fucklacop15@riseup.net](mailto:fucklacop15@riseup.net) at least 48 hours prior to the event if you require this service.

There will be workshops in french and in english, with whispered translation in both langages.

**We look forward to seeing many of you there!**

**Saturday, November 26th 2022  
12:00pm to 6:00pm  
At the University Centre at McGill University
